# 5 REASONS YOU SHOULD CLAIM OWNERSHIP

To better fit your business standards, claiming ownership is always the best bet. Each unit can be customized into a proper professional setting at double the benefits of leasing/renting.

- Customizable units designed according to specific requirements
- Mortgage plans that help you build equity and save on rent
- Considerable financial protection with fixed-rate financing up to 25 years
- Unbeatable tax benefits for investors and business owners
- Cost-effective plans to maximize savings

# OWNER ESTIMATION

As an owner or a user, you need to know certain crucial variables underlying your decision to buy a unit. These can vary according to changes in the scope of your purchase and lie within the specified range.

- The unit size ranges between 1,200 SF to 18,000 SF
- The down payment is anywhere between 15% – 25% of the final value.
- Affordable monthly payment + NNN

# INVESTOR ESTIMATION

As an investor, you must know the figures associated with your purchase. Depending on different variables, you can gather an estimate on how much you'll be getting for the amount of your investment.

- Unit size with dimensions between 1,200 SF to 18,000 SF
- Down payments worth 15% – 25% of the total value
- Pro Forma CAP at 7.5%
- An expected ROI of 10%

## RENT VS OWN

Confused about whether you should buy the property or rent it? Let the payments decide for you.

- **RENT:** \$3,100/month payment
- **OWN:** \$2,580/month payment

\*Claiming ownership is recommended when your budget allows as it contributes toward building your equity.

## LEASE PRICE

Leasing terms include:

- Unit size within the range: 1,250 SF – 18,000 SF
- Showroom/warehouse at \$16 per year, PSF + NNN
- Creative office at \$20 per year, PSF + NNN
- NNN: \$4.5 per year (unadjusted to variances in the final estimate)

\*Tenants must verify whether zoning supports their business use with the city
